V. Course Requirements and Assignments

A. Learning Activities

Progress Tests

You will take Progress Tests from the textbook in Modules 1-6. The tests will check your progress and will be self-graded. If you get any answers wrong, go back and review the section. Make any necessary corrections before submitting your assignments.

Word Practice

You will practice writing Greek words in each module. Practicing these words will help you memorize them. Study these vocabulary words daily and definitions daily. They will be on the final exam.

Submission Requirements:

Progress tests, word practice, and exercises must be submitted to your course facilitator.

B. Final Exam

The Final Exam consists of material from the assigned reading. The purpose of the exam is to measure your knowledge of course material. A Final Exam Review is presented in Module 6 to help prepare you for the test. The exam will be administered after all 6 modules have been completed.
