FOR IMMEDIATE RELEASE

## **Bestselling Author Ray Pritchard Endorses Genesis Bible Institute**

Tucson, AZ: Author Ray Pritchard recently endorsed the ministry of Genesis Bible Institute, a school that ministers to prisoners across the nation. Pritchard also donated thousands of copies of his book, *An Anchor for the Soul*, to the school. With more than one million copies in print, this book is the primary textbook for the course BIB 101 Fundamentals of the Faith.

Dr. Pritchard, who publishes his books through Moody Publishers (Chicago), wrote a personal note to students who enroll in this course: "I am delighted that you are reading *An Anchor for the Soul* as a part of the requirements for BIB 101 Fundamentals of the Faith. The course and the book take you through the heart of the gospel. We all need this message because we all need Jesus!"

The note also invites students to continue to draw near to Christ as they embark on their studies through Genesis Bible Institute. Dr. Pritchard also wrote a note of support to those who are learning about the ministry of the school and considering getting involved with it. He said, "I would like to express support for the work Genesis is doing to minister gospel truth to inmates across the country...I pray God continues to bless and prosper the important work the school is undertaking. I encourage you to partner with this ministry just as I have done."

Dr. Pritchard is one of several authors and scholars who have endorsed Genesis courses and have expressed written support for the school's ministry to inmates. Others include Dr. Wayne Grudem, Dr. John DelHousaye, and Dr. Michael Gorman.

Genesis Bible Institute is the prison ministry of Genesis College and Seminary. The college is a 501(c)3 formed in 2018 by an

interdenominational team of pastors, teachers, professors, administrators, and inmates. The school promotes rehabilitation through the power of God's Word and the life-transforming message of the gospel.
