Professor and Author Gerry Breshears Endorses Genesis Bible Institute

TUCSON, AZ: Dr. Gerry Breshears, Professor of Theology at Western Seminary (Portland, OR) since 1980, recently endorsed Genesis Bible Institute and wrote a letter to students who will enroll in the Institute's Christian Doctrine course. The course uses a book Breshears authored with Mark Driscoll titled, "Doctrine: It's All About Jesus."

"When one of our team members reached out to Professor Gerry Breshears to ask him for the rights to distribute his and Driscoll's book as a part of an online course based on their book, we were excited that Dr. Breshears took time to review the course for us and give his stamp of approval," said David Johnson, Chairman of the Board of Trustees for Genesis College and Seminary. "We are blessed to have a renowned scholar give high regards for our work, write a letter of encouragement to our students, and endorse our ministry."

In Breshears' letter to students, he explains how the exploration of the doctrines of the church and of Jesus Christ results in a foundation for faithful discipleship and fruitful leadership. He then notes, "The team at Genesis Bible Institute have done an excellent job of putting together these resources with thought provoking studies and exercises to enable you to hold firm to the trustworthy Word as taught, so that he may be able to give instruction in sound doctrine and also to rebuke those who contradict it (Titus 1:9)."

In addition to his professorship at Western Seminary, Dr. Breshears teaches and lectures at colleges and seminaries around the world, in countries such as Lebanon, Ukraine, Taiwan, Poland, and the Philippines. He has published in many scholarly journals, including the Journal of Psychology and Theology and the Journal of the Evangelical Theological Society.

Genesis College and Seminary is a 501(c)3 based in Tucson and formed in 2018 by an interdenominational team of pastors, teachers, professors, administrators, and inmates. The ministry is endorsed by many noted community leaders and theologians, all of whom have a heart to see inmates experience life transformation.
