Genesis College Expands Global Reach with New Bible Institute in Chihuahua, Mexico

Tucson, AZ — Genesis College and Seminary is pleased to announce the launch of a new Bible Institute in Chihuahua, Mexico, marking a significant step forward in the ministry's international expansion. The institute officially opened in October with 35 students, in partnership with El Elyon Church in Chihuahua.

“This is an incredible milestone for our ministry,” said Dr. David Johnson, Chairman of the Board for Genesis College and Seminary. “We’ve spent years translating and adapting many of our courses into Spanish, and now we’re seeing God use those efforts to train and equip new leaders in Mexico. Our team has worked tirelessly to make this a reality, and we are excited to see how God will multiply this work.”

The launch was made possible in part by the generosity of an anonymous donor who purchased and shipped 40 copies of each required textbook, allowing El Elyon Church to establish a student library. This initiative ensures that every learner has access to essential reading materials at no cost.

“God keeps opening new doors for ministry in Mexico,” Johnson added. “From our first group of students to the creation of this

library, we're witnessing how His provision continues to move the mission forward."
